PROFILE

I'm a front-end developer and Computer Science graduate with experience in ReactJS and modern web technologies. I completed the ITI scholarship program, gaining technical and problem-solving skills. I'm always looking to improve and can work independently or in a team to build efficient web applications.

SKILLS

- Languages: HTML5, CSS3, JavaScript (ES6+)
- Frameworks/Libraries: React, Redux, Bootstrap, Material UI
- Tools & Technologies: REST APIs, Version Control (Git), Vite
- Design Principles: Responsive Web Design, Mobile-first Development
- SEO Best Practices
