

PETER SADEK

FRONT-END DEVELOPER

Peter_Sadek@outlook.com | +20 1202367698 | Egypt
Portfolio | GitHub | LinkedIn

PROFILE

Front-end developer with hands-on experience building modern, responsive, and SEO-friendly web applications using React, Next.js, Astro.js, TypeScript, Tailwind CSS, and Shadcn/UI. Skilled at turning product and design requirements into clear, performant interfaces with strong usability. Completed the ITI Intensive Code Camp scholarship, strengthening practical front-end foundations through real-world project work. Experienced in both freelance and team-based environments, delivering production-ready solutions across corporate platforms, campaign websites, and customer-facing products.

SKILLS

Languages:	HTML5, CSS3, JavaScript (ES6+), TypeScript
Frameworks:	React, Next.js, Astro.js, Redux, Zustand, Tailwind CSS, Shadcn/UI, Bootstrap
Tools & Tech:	REST APIs, Git/GitHub, Supabase, Firebase, Zod Validation, Figma
Design:	Responsive Web Design, Mobile-first Development, Accessibility, Reusable Component Patterns
Core Focus:	Performance Optimization, Multilingual & RTL UX, SEO Best Practices

PROFESSIONAL EXPERIENCE

FRONT-END DEVELOPER

04/2025 - Present

DB Investing

- Delivered frontend development across 15+ web projects, from corporate platforms to campaign pages and customer-facing products.
- Built production-ready applications with Next.js, Astro.js, React, TypeScript, Tailwind CSS, and Shadcn/UI.
- Built advanced product features including IB dashboard flows, KYC integration with Sumsb SDK, interactive webinar calendars, and multi-filter data views.
- Improved performance using image optimization, lazy loading, and practical front-end architecture improvements.
- Implemented multilingual internationalization (13+ languages) with full RTL support for Arabic.
- Developed and maintained responsive email templates for weekly campaigns and consistent cross-team communication.

FREELANCE FRONT-END DEVELOPER

01/2024 - 04/2025

Freelance

- Collaborated with clients to design and build responsive landing pages using React.
- Used Material UI and Bootstrap to deliver modern, mobile-friendly UI components.
- Focused on clear user journeys, clean structure, and practical cross-device behavior.

FRONT-END & CROSS-PLATFORM MOBILE DEVELOPMENT TRAINEE

05/2024 - 09/2024

Information Technology Institute (ITI) - Intensive Code Camp

- Built responsive web applications with React and Next.js during intensive project-based training.
- Applied web development best practices for component structure, responsiveness, and usability.
- Worked on real-world team projects that strengthened front-end and product development skills.

PROFESSIONAL PROJECTS
